

The floor plan of the first floor of the 'CASA DELLA MUSICA' building is divided into several functional areas. On the left side, there is a large 'SALA COMUNE ALLE ATTIVITA'' (Common Room for Activities) and a 'GRUPPO FOLK' (Folk Group) room. Below these are two 'SCALA DI MUSICA' (Music Stairs) rooms, one of which is highlighted in yellow. To the right of the common room is a 'SALA CAMMONTAGNE' (Cammontagne Room). The top right section contains a 'MAGAZZINO' (Warehouse), a 'NEGOZIO CON RICAMBIO D'ARIA MECCANICO' (Mechanical Parts Store), and a 'CENTRALE TERMICA' (Thermal Central) with an 'ENEL' (Electricity) connection. A 'CENTRALE ACQUA' (Water Central) is also present. The plan includes a staircase, a curved ramp area, and various utility rooms like 'BIDELLI' (Toilets) and 'W.C.' (Restrooms). A 'MACHINE ASC.' (Elevator Machine) is located near the music stairs. The entire building is surrounded by a grid pattern, likely representing a parking lot or a paved area.
